Food delivery to families during the pandemic

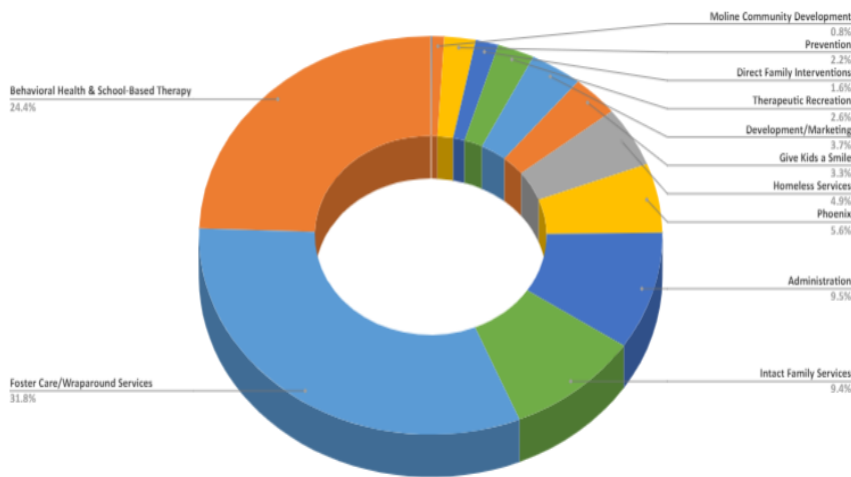

## Annual Report to the Community

July 1, 2019 - June 30, 2020

Bethany for Children & Families thanks the Quad Cities community for continued support of the agency's mission. Fiscal Year 2019-20 began normally and ended with 19's life-changing restrictions. Bethany staff **quickly adapted**, delivering services to clients in **new, innovative ways**. Thank you to funders, donors, volunteers, and staff for your incredibly **resilient effort** to *keep children safe, strengthen families, and build healthy communities*.

Fiscal 2020 Expenses

Total: \$4,998,726

Figures shown are prior to completion of annual audit.

## Program Outcomes

- Bethany provides 22 programs and services and served 9,814 individuals.
- Bethany covers 12 counties and two states, with over 5,300 square miles.
- 1,565 children were served by **Give Kids a Smile**. 721 children were served in Iowa with 40% requiring restorative care. 844 children were served in Illinois with 30% requiring restorative care.
- 90% of families in **Intact Family Services** remained together, and 91% of families that completed the program did not have subsequent allegations of abuse or neglect in the following year.
- 95% of students in the **Phoenix Day Treatment School** remained within their family of origin and were not placed outside the home on a permanent basis.
- 100% of the families who applied for Bethany's **Infant Adoption Program** were approved to adopt.
- 85% of the youth in **mental health therapy** were successfully discharged with the achievement of the treatment plan goals.
- 98% of youth served by **Wraparound** remained with parents or foster parents. 100% of **Wraparound** families remained intact six months after program completion.
- 907 unduplicated students in 21 schools and/or organizations participated in **Teen Pregnancy Prevention Programs**.
- 4,200 **Goodwill vouchers, worth \$42,000** for clothing purchases were distributed to area individuals.
- 179 pieces of furniture and appliances were distributed to families in need through the agency's **Family Furniture Assistance Program**.
- 100% of eligible high school seniors and 8th grade students in the **Phoenix Day Treatment School** graduated.
- 99% of youth in **Behavioral Health Intervention Services** did not enter the child welfare or juvenile justice system and remained stable in his/her home of origin. 90% of students demonstrated an increase of learned, socially acceptable behaviors.
- 100% of children in the **Direct Family Interventions** program maintained their home of origin and 90% of cases were completed within an average of nine months.
- 49% of children in the agency's home of relative/traditional **Foster Care** achieved permanency, returned to their parental homes, were adopted, or entered into guardianship.
- 100% of students in the **Therapeutic Recreation Program** met education goals by moving to the next grade level.
