ADOPTIVE PARENT'S RIGHTS AND RESPONSIBILITIES IN ILLINOIS

This document is intended to provide adoptive parents with information regarding choices, rights and responsibilities as they relate to adopting a child in Illinois. It does not constitute legal advice. Legal advice is dependent on the specific circumstances of each situation and should only be provided by a competent lawyer. The information in this document is only intended to serve as an overview and does not cover all cases or facets of the law governing adoption in Illinois.

Illinois has progressive adoption laws that protect the rights of birth parents and adoptive parents. Adoptive parents who are using the services of an adoption agency in Illinois must receive this document from their caseworker as soon as is reasonable practical after meeting with an agency worker. Adoptive parents may take this document home to read in private prior to reviewing it with a worker from the agency.

PAYMENT FOR ADOPTION SERVICES: IN ILLINOIS, ONLY ADOPTION AGENCIES THAT ARE LICENSED IN ILLINOIS MAY RECEIVE PAYMENT OR COMPENSATION FOR PROVIDING ADOPTION SERVICES IN ILLINOIS.

ADVERTISING: IN ILLINOIS, ONLY LICENSED ADOPTION AGENCIES MAY ADVERTISE THEIR SERVICES, HOWEVER, ADOPTIVE PARENTS MAY ADVERTISE ON THEIR OWN BEHALF.

THE DIFFERENT WAYS TO ADOPT A CHILD ARE TO:

1) adopt domestically through an adoption agency that is licensed in Illinois or elsewhere in the U.S. (an ‘agency assisted adoption’);
2) work with an adoption agency that is licensed in Illinois or elsewhere in the U.S. to adopt internationally (an ‘international or intercountry adoption’); or
3) work with an adoption attorney to adopt domestically (a ‘private adoption’; other states may or may not be involved); or
4) become a licensed foster parent and provide long term foster care for a child who has been removed from his or her parents due to abuse, neglect or dependence – if the child cannot return home to his or her birth parents, the placement will likely convert to an adoption.

RIGHTS OF ADOPTIVE PARENTS – AS AN ADOPTIVE PARENT, IF YOU WORK WITH AN ILLINOIS ADOPTION AGENCY, YOU HAVE MANY RIGHTS, INCLUDING THE RIGHT TO:

1. Be treated with respect and dignity.
2. Receive a written schedule of agency fees and refund policies.
   Note: An Agency may not require that you make a donation, or increase fees without notice. Agencies may not charge additional fees and expenses beyond those disclosed in the adoption fee schedule unless additional fees are reasonably required by the circumstances and you are informed of them before they are incurred. In addition, an agency may not charge excessive fees and they must be based on services provided to adoptive families and to birth parents.
3. For the adoption of a child born in Illinois, receive in writing, no later than the date of placement, non-identifying information (if known) concerning the child and birth family to be placed with you for adoption, including the:
   • Date and place of birth;
   • Immunization records;
   • Conditions or diseases believed to be hereditary;
   • Drugs or medications taken by the child’s biological mother during pregnancy;
   • Psychological and psychiatric information known about the child and birth family;
   • Any other information that may be a factor influencing the child’s present or future physical, mental or emotional health;
   • Information on previous placements, if any, and reasons for placement changes, excluding identifying information on previous caregivers;
• Any known behavioral information about the child necessary to care for the child and other children in your home;
• Ages of the biological parents;
• Race, religion, and ethnic backgrounds of biological parents;
• General physical appearance of biological parents;
• Education, occupation, hobbies, interests, and talents of biological parents;
• Existence of any other children born to the biological parents;
• Information about biological grandparents; reason for emigrating into the United States, if applicable and county of origin;
• Relationship between biological parents;
• Detailed medical and mental health histories of the child, the biological parents, and their immediate relatives;
• In the case of emergency placements, the information, known information must at least be provided verbally and must subsequently be provided in writing;
• Adoptive parents may view supporting documentation in the child’s file in the presence of casework staff at the Illinois agency, but may not view identifying information about other people;
• Information learned by the agency between the time of placement and the time of the adoption finalization will be provided to the adoptive parents as it is acquired;
• If certain information about birth family members is not provided to you due to confidentiality protections under Federal law, the agency should let you know.

Note: If you are adopting a child from another country, the availability of the above mentioned information will be limited. If you are adopting a child born in another State, you should receive all known background information and birth records.

4. Training that includes counseling and guidance for ensuring a successful adoption. You must complete the training in the time frame required by your agency.

5. Confidentiality of your identifying information (unless otherwise required by Illinois law or court order).

6. Make decisions free from pressure or coercion, including your decision to accept or reject the placement of a particular child.

7. Seek medical, emotional, and social work advice from independent resources prior to accepting the placement of a particular child.

8. If you are adopting domestically, you can ask to participate in an open or closed adoption with your adopted child’s parents and ask to meet them prior to placement; or to choose another agency if your request cannot be honored. Any agreement or promised regarding plans to have contact with the birth parents of your child or receive information after the finalization of the adoption cannot be enforced under Illinois law.

The Department of Children and Family Services must license any agency providing adoption services in Illinois. It must be recognized by the IRS as a charitable organization** under section 501(c) 3 of the Internal Revenue code.

BEFORE YOU SUBMIT AN APPLICATION TO AN ADOPTION AGENCY THAT IS PROVIDING SERVICES IN ILLINOIS:

The agency must provide you with its estimated fees, its refund and grievance policies and procedures. All of this must be provided in writing.

BEFORE YOU ENTER INTO A CONTRACT OR AGREEMENT WITH AN ILLINOIS ADOPTION AGENCY:

The agency must provide you with a description, in writing, of its adoption services, policies and practices, and general eligibility criteria, including:

a. Verification of its current licenses and certifications;

b. Description of the agency’s philosophy and/or religious affiliation;

c. Content of the home study, preparation and licensing process, training hours required and description of the home study process;

d. Any policy requirements or situation that would affect an agency’s placement of a child with you;
e. Expected waiting period for the placement of a child with you;
f. How background information about the child is gathered and in what form it is shared;
g. The post-placement process and the requirements for the finalization of your adoption.

AS AN ADOPTIVE PARENT WORKING WITH ANY AGENCY, YOU HAVE THE RIGHT TO:

- Receive a copy of the agency’s annual report.
- Know whether the agency will provide you with a copy of your home study.
- Families who receive “review only” home studies generally may not forward those studies to other agencies without the express permission of the drafting agency.
- Be informed of the rights of the birth parents.
- Request a transfer of your foster parent licensing or home study file to another agency and the right to expect that the transfer be made in a timely manner.

Note: No agency or attorney can guarantee in advance that you will be approved by that agency as an adoptive parent, that a child will be placed with you or that if a child is placed with you that you will be ultimately approved by the court as an adoptive parent.

AS ADOPTIVE PARENT(S) WORKING WITH AN ATTORNEY TOWARD A PRIVATE ADOPTION, YOU HAVE THE RIGHT TO:

1. Receive information regarding legal fees, expenses and refund policies.
2. Inquire about the attorney’s license and status. You may access this information by calling the Illinois Attorney Registration and Disciplinary Commission at 800-826-8625 or 312-565-2600 or accessing its website at www.iardc.org. Another resource is the American Academy of Adoption Attorneys website: www.adoptionattorneys.org/ or telephone at 202-832-2222.
3. Ask about and expect that your attorney has experience in adoption law.
4. Inquire about any conflict of interest that would affect the attorney’s representation of you. An attorney may not represent both the birth parents and the adoptive parents at the same time. Similarly, you should inquire about the attorney’s relationship with any agencies with which you have worked.
5. Ask your attorney to explain to you the parameters of confidentiality of the private information disclose to your attorney.

AS AN ADOPTIVE PARENT, IT IS YOUR RESPONSIBILITY TO:

- Work cooperatively and honestly with the entity handling your adoption.
- Disclose if you have ever been the subject of an unfavorable home study or if you have ever withdrawn an application from an agency.
- Pay the agreed-upon fees promptly.
- Cooperate in obtaining the required training on adoption related issues.
- Be cooperative with post-placement monitoring and support.
- If you are transferring your foster parent license from one agency to another, you are responsible for arranging for the original agency to send the home study directly to the subsequent adoption agency.
